SONOS PRODUCT					
	<b>ARC</b>	<b>BEAM</b>	<b>SUB</b>	<b>AMP</b>	
	The premium smart soundbar for TV, films, music, gaming, and more. Bring all your entertainment to life with the brilliantly realistic sound of Arc, featuring Dolby Atmos.	Beam was specifically tuned by Oscar-winning sound engineers to emphasise the sound of the human voice so you can always follow the story.	Two force-cancelling drivers at the centre of Sub eliminate vibration and rattle so you get powerful bass without any distortion.	Connect everything from your turntable and stereo to your wired speakers, indoor and out, to enjoy vinyl, CDs, stored audio files, and streaming even to your garden.

<b>SONOS PRODUCT</b>					
	<b>FIVE</b>	<b>ONE</b>	<b>MOVE</b>	<b>ROAM</b>	
	Five's unrivalled acoustic design features three high-excursion woofers within a sealed architecture that eliminates reverb and echo.	Compact, small and fits just about any space. Place on cabinets, bookshelves, side tables, benchtops, bathroom vanity, outdoor dining table, or anywhere you want music.	The durable, battery-powered smart speaker for outdoor and indoor listening. Get brilliant sound anywhere with the weatherproof and drop-resistant Move.	Roam automatically connects to your home network and pairs with your phone when you're away. So all you have to think about is what to play.
